Address: In Yamhill, Yamhill  
Price: Free

I have a 3br/2ba house in Yamhill. It is cute, clean & cozy. I work 70-80 hrs a week & am usually only home to shower & sleep. You would have the master bedroom, which contains a regular closet, a walk-in closet & a private bathroom/shower. You have access to the whole house. Big, fenced, private backyard w/covered patio. Off-street parking. I like things clean & organized. So...please don't be a slob. I'm super laid back & easy to get along with. No pets (aside from the mildly bitchy cat & little dog that already live here
