Price:

50.00 \$

Price: Negotiable

Color: Royal blue

Material: 100% Polyester, Lace

Size: 6 (based on the following scale from the original place of acquisition (6)S bust: 34 , waist: 26.5, hips: 35). I usually wear a size 4 in normal clothes, and this fit perfectly.

This bridesmaid dress was bought for a friends wedding this past summer, I wore it only once. The dress was washed since and has been hanging in my closet.

No tears, the dress is quite comfortable, there is a built in bust so there is no need to an additional bra. No alterations were done to how the dress looked when I got it originally.
